# TRASTEVERE

*Roma*

The unique personality and the distinctive tastes of the centre Italy. A full body blend, with hints of **dark chocolate** and **hazelnuts** notes.

Trastevere is a sophisticated blend of washed Robusta sourced from Asia, **fermented Robusta** and natural Arabica sourced from Central America.

**BLEND COMPOSITION: 50% A - 50% R**

## **FERMENTED ROBUSTA**

The fermentation process breaks down sugars, unlocking exotic flavours and adding a more round and pleasant taste.
